### BOOKS

Clean Code

Eloquent Javascript

Code

### ACHIEVEMENTS

#### Taking the leap to Engineering

Deciding to start fresh and really pursue the things I am passionate about. I wake up everyday happy & excited to learn more.

#### Mouse Automation Program

Taught myself Python to build my first ever program. A Data Entry automation which used screenshots to locate forms for data input.

### SKILLS & SOFTWARE

#### Programming Languages

Ruby   Javascript   HTML5   SCSS

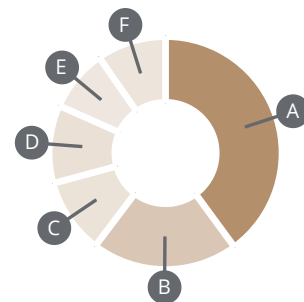

Python

#### Libraries, Frameworks & Software Dev

Ruby On Rails   MySQL / PostgreSQL

JQUERY   Notion   AJAX   GIT
